1786

MAIL DATE

DELIVERY MODE

08/12/2010

PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Attachment to the Advisory Action

1. The proposed amendment to the claims, which cancels claim 2 and amends claims 1, 14, and 16 in the reply dated 5 August 2010, will NOT be entered however the amendment fails to place the application in condition for allowance.
2. The proposed amendment will not be entered because it changes the scope of the present claims which would require further search and consideration and would also raise issues related to claims which are withdrawn as drawn to nonelected species and nonelected inventions.
3. Applicant's arguments relate to a non-entered claim amendment, and therefore have not been considered.
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to MICHAEL WILSON whose telephone number is (571) 270-3882. The examiner can normally be reached on Monday-Thursday, 7:30-5:00PM EST, alternate Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Larry Tarazano can be reached on (571) 272-1515. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 1786

5. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
